Zofa

Live. Sleep. Be Well.

Blissful relaxation, rejuvenating sleep, all with Zofa. Designed as two Zecliners in one, this power sleep sofa brings cutting-edge technology to create the ultimate in luxury. With Zero Gravity recline, CloudLux™ seat cushions, and heat and air massage features, the Zofa brings wellness to relaxation. Upholstered in moisture-resistant and easy to clean performance fabric choices, including a scientifically backed Nanobionic fabric that contains infrared-emitting minerals that recycle the body's energy. The future of modern reclining furniture, Zofa includes motion-sensitive LED base lighting, with USB ports, cupholders and a wireless charging pad to keep all your devices powered up and within reach.
